- 4<sup>th</sup> Season November 12<sup>th</sup>-November 18<sup>th</sup>

APPLICATIONS MUST BE RECEIVED BY THE CLOSE OF BUSINESS 3/31/2010

Mail applications to any of the following sites as listed below. Your name can only appear on one application form for each site but you may apply for each site if you wish. If you get accepted for any of these sites and you are not able to come please let the site know so that someone else can take your place. Many people are not selected at these sites each year so if you can not come please let the sites know as soon as possible. Deer tags and hunting licenses still need to be acquired to hunt if you are successful in the drawing. The three sites which this form can be used for are:

JIM EDGAR PANTHER CREEK STATE FWA  
10149 COUNTY HWY 11  
CHANDLERVILLE, IL. 62627

LAKE SANGCHRIS STATE PARK  
9898 CASCADE ROAD  
ROCHESTER, IL. 62563

SILLOAM SPRINGS STATE PARK  
938 EAST 3003 LANE  
CLAYTON, IL. 62324

All three of these sites are quality deer management areas which means bucks have to have four points on each side. At Lake Sangchris State Park you have to harvest a doe before you harvest a buck. At the other two sites you can harvest a buck first if you wish.
