

**Hennepin Canal Parkway
Archery Deer Permit Application
Illinois Residents Only**

Read all instructions before completing form.

Please ***Print!*** This is a "partner" type application. You can either apply individually and have an entire zone to yourself (one name on the application), or, 2 hunters can apply together (two names on the application); if their dual application is drawn, they can co-hunt the same zone during the same period. Partners do not have to hunt together on the same day(s) or even at the same time(s). An individual can only be in the drawing one time - either as a partner on an application or an individual applicant. Submittal of a name on more than one application will result in disqualification of all relevant applications. To qualify for the partner program, both names must appear on the application. **NO** substitutions allowed.
